

Law Enforcement-Community Engagement Training Summit

April 1st and 2nd | Rock Hill, SC

The **Law Enforcement-Community Engagement Training Summit** is the **only** training and professional development summit in the state dedicated exclusively to the sworn and civilian professionals tasked with community engagement.

This training summit was created to professionalize community engagement as a core discipline within South Carolina’s law enforcement.

Effective policing requires more than enforcement — it requires trust, legitimacy, and sustained partnerships. Develop the skills, strategies, and partnerships needed to strengthen trust and improve community-centered public safety.

Why Attend?

There has historically been no statewide training summit dedicated to community policing and outreach. Agencies consistently report the need for:

- Standardized engagement models.
- Outreach program frameworks.
- Partnership development strategies.
- Capacity-building resources.
- Learn to transform one-off events into long-term strategies

With your help, we can close this training gap in South Carolina!

The Law Enforcement Community Engagement Network

Launched in 2023 by MovementForward, Inc. the *Law Enforcement Community Engagement Network (LECEM)* was designed to professionalize law enforcement community engagement efforts by establishing a trusted network where members can connect, develop, and collaborate.

Now, South Carolina members seek to bring this effort of professionalization to the forefront.

With an initial cohort of 23 members, LECEM currently maintains a network of +400 members from across 47 states.

Law Enforcement-Community Engagement Training Summit

April 1st and 2nd | Rock Hill, SC

Our mission is to support and elevate community engagement professionals across **South Carolina** law enforcement agencies through an annual statewide summit that provides targeted training, peer collaboration, and professional development opportunities for both sworn and civilian personnel.

Training Topics

Learn from active law enforcement and lead experts in the field of community engagement and outreach. Training summit topics will include:

- What is Community Engagement: Understanding the Roles of Law Enforcement and the Community.
- Managing Community Engagement Events: Strategies for Successful Event Planning.
- Measuring What Matters: How Effective Is Your Community Engagement Event.
- What Happens Next: Ongoing Strategies for continued Community Engagement Opportunities.
- Mentoring with Blue: mentorship opportunities with children in the community.
- Mental Health and Blue: Avoid Blue Burnout.
- Homeless in South Carolina: Making a home less of a problem.
- Human Trafficking: What is human about it?
